P.M. REGIMEN: After washing with the same cleanser, Downie applies SkinMedica TNS Essential Serum, \$250, which boasts a combo of growth factor, antioxidants, and peptides that "helps the texture and tone of my skin and helps boost collagen while I sleep."

A.M. REGIMEN: "I'm most faithful in the morning—always consistent with vitamin C and sunscreen," says Stetter. She uses SkinMedica Facial Cleanser, \$30, followed by SkinMedica Vitamin C+E Complex, \$90.
